

SCHEDULE OVERVIEW

OCTOBER 16

WORKSHOPS AND CONFERENCE GATHERING

	Ballroom 1	Ballroom 3	Odin Room
9:00am - 12:00pm			Workshop 1: District Heating System Design in Canada. A review of biomass and CHP solutions
12:00 - 1:00pm			Lunch (for workshop attendees)
1:00 - 4:00pm			Workshop 2: Northern Ontario Bioheat Workshop – Call to Action
5:00pm			
7:00 - 10:00pm	Opening Reception	Trade Show Setup	

OCTOBER 17

THE BIOECONOMY & REDUCING EMISSIONS

	Ballroom 1 and 2	Ballroom 3	Viking Room	Odin Room	Icelandic Room	
7:30 - 8:30am	Breakfast	Trade Show and Exhibition			B2B Meetings	
8:30 - 9:15am	Opening Remarks - Welcome to #BNDC2018					
9:15 - 10:00am	Keynote Address: Gianni Kovacevic / Realistic Environmentalist, Energy Expert, Author The Science Economy: How the Fusion of Technology and Energy will impact your Life, your Business and your Future					
10:00 - 10:30am	Morning Break		Morning Break			
10:30am - 12:00pm	Government Leadership in the Bioeconomy Chief Isadore Day - Bimaadzwin Inc. / Serpent River First Nation / Anishinabek Nation - CEO And Founder / Chief / Regional Grand Chief Jean-François Levasseur - Director, Industry, Innovation and Indigenous Programs Division - NRCan – Canadian Forest Service David Mackett - Director, Resource Development and Sustainability - Lac des Mille Lacs First Nation Walter Manitowabi - Community Engagement - Mitigokaa Development Corp					
12:00 - 1:15pm	Lunch		Lunch			
1:15 - 2:30pm			Biopower in Commercial and Industrial Applications Jeff Parnell - Vice President - Power Workers' Union Hansjörg Vollmer - Chief Executive Officer - Intech Clean Energy Dennis Widdifield - Senior Project Manager / Technical Specialist – Pöyry (Appleton) LLC	Biofuels and Deep Fuel Switching Dr. Arturo Sánchez Carmona – President - Mexican Innovation Centre on Bioenergy Lew Christopher – Director - Biorefining Research Institute, Lakehead University Patrice Mangin - Chief Executive Officer - Bioénergie La Tuque (BELT)		
2:30 - 3:00pm	Afternoon Break		Afternoon Break			
3:00 - 4:15pm			Bioheat Solutions for Communities Derek Fox – Deputy Grand Chief - Nishnawbe Aski Nation Alexander Zangerle – Manager - Herz Canada Andreas Wintzer - Commercial and Biomass System Manager - Viessmann Canada	Sustainable Practices and Climate Mitigation James Steenberg - Forest Carbon and Climate Change Analyst - Nova Scotia Department of Lands and Forestry Nathan Manion - Project Manger - Sustainable Energy Applied Research Centre (SEARC) Obie Agusiegbe - CEO - EnvironFocus		
4:20 - 4:30pm	Special Announcement Chief Isadore Day - Bimaadzwin Inc. / Serpent River First Nation / Anishinabek Nation - CEO And Founder / Chief / Regional Grand Chief Walter Manitowabi - Community Engagement - Mitigokaa Development Corp					
4:30pm	Closing Remarks					
6:00 - 7:00pm	Awards Gala (Ballroom Foyer) Cocktails and BioBrews					
7:00 - 10:00pm	3rd Annual Awards Gala					

OCTOBER 18

THE BIOECONOMY & SUSTAINABLE GROWTH

	Ballroom 1 and 2	Ballroom 3	Viking Room	Odin Room	Icelandic Room
7:30 - 8:30am	Breakfast				
8:30 - 8:40am	Opening Remarks				
8:40 - 10:00am	<p style="text-align: center;">Accelerating Cleantech and Innovation</p> <p style="text-align: center;">Chris Walton - Chief Executive Officer- CRIBE</p> <p>Melissa Barcellos - Manager, Economic Development - City of Prince George</p> <p>Michael Snowdon - Lab Manager and Research Development Specialist - Bioproducts Discovery and Development Centre (BDDC)</p> <p>Kirsten Maki - Associate Research Leader, Bio-Economy Technology Centre - FP Innovations</p>				
10:00 - 10:30am	Morning Break		Morning Break		
10:30am - 12:00pm		Trade Show	<p style="text-align: center;">Best Practices in Collaboration</p> <p>Devon Franklin - Project Manager - Magnet Export Business Portal, Ryerson University</p> <p>David Flood - General Manager - Wahkohtowin Development GP Inc.</p> <p>Georjann Morriseau - Director, Indigenous Affairs - Resolute Forest Products</p> <p>Walter Manitowabi - Community Engagement - Mitigokaa Development Corp</p>	<p style="text-align: center;">SES Biotechnology and Allied Sciences Symposium (SESBASS)</p> <p>Dr. Arturo Sánchez Carmona - Cinvestav Bioenergy Futures Laboratory - Mexican Centre for Innovation in Bioenergy</p> <p>Olga Ayala - Cinvestav Bioenergy Futures Laboratory</p> <p>Dr. Vasudeo Zambare - Post-doctoral fellow - Biorefining Research Institute</p> <p>Ayyappa Sista Kameshwar - Biotechnology PhD candidate - Lakehead University</p> <p>Niloofar Alipoormazandarani - Biotechnology PhD candidate - Lakehead University</p>	B2B Meetings
12:00 - 1:00pm	Lunch		Lunch		
1:00 - 2:15pm			<p style="text-align: center;">Mapping the Canadian Bioeconomy from Here to 2030: World Café</p> <p>Moderator: Dawn Lambe - Executive Director - Biomass North Development Centre</p>	<p style="text-align: center;">SES Biotechnology and Allied Sciences Symposium (SESBASS)</p> <p>Dr. Sudip Rakshit, Biorefining Research Institute and Lakehead University</p> <p style="text-align: center;">Panel Discussion/World Café</p> <p>Dr. Arturo Sánchez Carmona, Dr. Sudip Rakshit, Dr. Lew Christopher, Dr. Pedram Fatehi, and Dr. Wensheng Qin</p>	
2:15- 2:30pm	Afternoon Break		Afternoon Break		
2:30 - 3:45pm	<p style="text-align: center;">Looking to 2030</p> <p>Mahima Sharma - Manager, Environment and Regulatory Affairs - Forest Products Association of Canada (FPAC)</p> <p>Dan Goldberger - Chair – Ontario Sustainable Energy Association (OSEA)</p> <p>Andreas Zailo – Founder and CEO - ASM Innovations Inc.</p>				
3:45 - 4:00pm	Closing Remarks
